

BUILDING FOR A SOUND TOMORROW

Phase I
COMPLETED

Digital Conversion. This conversion allows KVPR and KPRX to offer HD as well as FM to the broadcast schedule. This means a greater variety of programming content to a greater number of listeners and improved sound quality for all.

Cost: \$406,629

Phase II
IN PROGRESS

Build to relocate. The station plans to relocate to *Portal Sierra* in Clovis at Highway 168 and Temperance. The initial cost includes interior improvements and the difference in rent for the first three years. The station will have a 10-year lease with an option to purchase at any time.

Cost: \$2,000,000 of which we have already raised \$576,964

Phase III
NEXT STEP

Purchase the building. As soon as the money has been raised to complete Phase II, the organization will begin raising the funds to purchase the building. Cost for this purchase is pre-determined. As funds are available, the organization can pay down the amount required for the purchase. Once the facility is purchased the station will only have regular maintenance and common area costs without property taxes.

Cost: \$2,720,000

Total for the entire project: \$5,126,629
