with the MSU Foundation Charitable Gift Annuity Program for WKAR

You simply irrevocably transfer cash or marketable securities to the Michigan State University Foundation that, in turn, agrees to pay you a fixed and guaranteed income for life. The gift portion of the annuity comes to WKAR.

- *Fixed payment for life based on ages of beneficiary(ies)*
- *Quarterly, semi-annual or annual schedules available*
- *A portion of your annual income may be received tax-free*
- *You may claim a significant charitable deduction on your tax return*
- *Simple contracts prepared by WKAR Development Staff*
 - *No legal fees incurred*

Provide us with your birth date and what type of asset you will be gifting and we will provide you with a precise illustration for your review.

It's just that easy.
